In March 2010, the City Council approved the No Kill Implementation Plan, which included partnering with a non-profit to operate the Davenport Building as an adoption center and to keep open the entire Town Lake Animal Center (TLAC) site for a minimum of six months. On June 23, 2011, the City Council approved the operation of an adoption center at the TLAC. Allowing Austin Pets Alive, a non-profit organization, to temporarily operate the TLAC site as an adoption center will assist the City of Austin in implementing the No-Kill Implementation Plan.

Austin Pets Alive will pay all costs associated with the operation and maintenance of the TLAC with the exception of electric, water, and wastewater utility costs, which the City will pay during the first 12 months of the license only.
